Foundations of Success BUSINESS AND SOCIAL FORMS.

A Discovery by Accident. which supplies a want men of eminent ability have devoted years of s udy and experiment to find—a specific for diseases of the Kidneys, Blad-der, Urinary Organs and Nervous System—and from the time of its discovery has rapidly increased in favor, gaining the approval and confidence of medical men and those who have used it; it has become a favorite with all classes and wherever introduced has superseded all other treatments. In short, such is its intrinsic merit

and superiorty, that it is now the only recognized Diseases of the Kidneys tre the most prevalement, dangerous and fatal affections that affict manished, and so varied and insidious in their character, that persons often suffer for a long time before knowing what alls them. The most characteristic symptoms are gradual wasting away of the whole body; p in in the back, side or lot 8: a weak, feeting exhausted gradual wasting away of the whole body; p in in the back, side or loi s; a weak, feeble, exhausted 'eeling; lo s of apperite and dread of exercise; canty and painful discharge of ariously colored trine; minute shreds or casts in the urine; and, when the disease is of long duration, there is

auch emaciation and general nervous prostra | I reckon." The only Cure.

We say positively, and without fear of contra-liction, that Day's Kidney Pad is the first and only infallible cure for every form of Kidney liserse It is the best remedy yet discovered for this complaint, and more effectual in its operation than any other treatment. By using faithfully and persistently no case will be found so "And he's personal treatment of the headlight."

CAUTION. Owing to the many worthless sale on our reputation, we deem it due the afflicted to warn them. Ask for DAY'S KIDNEY PAD, and take no other.

400 BROADWAY. Since the introduction of this Spool Cotton into the American market, its success bas been unprecedented. No other brand of thread has ever met with the same amount of public favor in the same space of time. The "O. N. T." manufacturers were the first to recognize the importance of the Sew-

ing Machine and to make a six-cord cotton, which has ever since been the recognized standard for machines. All the improvements in machinery that the inventive genius of the nineteenth century has produced have been adapted by the

manufacturers of "O. N. T." At all the great International Fairs of the world, "O. N. T." has been awarded the highest honors.

The "O. N. T." factories at Newark, N. J. and Paisley, Scotland, employ 5,200 operatives—make sufficient thread daily to go around the world four times. Consume 140 tons of coal daily.

The manufacturers of "O. N. T." are the largest manufacturers of Spool Cotton in the A full assortment of this Spool Cotton can be had at wholesale and retail at
